Company and theme sessions

15:00 - 15:40 - Round 1

Google (start at 14:50)

Google is a technology company focused on Internet products and service, such as online advertising, online search, and cloud computing. Their mission is to organize all the world's information and make it universally accessible and usable.

Deloitte

Deloitte is one of the largest professional service providers in the fields of accountancy, tax and legal advice, consultancy, risk management and financial advice. Deloitte has not only an economic but also a social responsibility. Its aim is to have the greatest possible social impact through its various activities.

PublicSupport

Public Support is a nationally operating staffing agency specializing in government support, for example, a municipality or a province, the water board or an environmental service. For recent graduates they offer a Traineeship Young Support to kickstart your career in the public sector!

The Content Exchange

The Content Exchange (TCE) is a public content management system that brings creators and publishers together to produce, publish and distribute (news)stories. Our speaker will be Joris van Lierop, one of the initiators of TCE and the current CEO of the company

15:50 - 16:30 - Round 2

Indicia:

Indicia is a digital agency aiming to provide digital solutions for companies. We combine creativity, technology and entrepreneurship. In this way, they provide concrete answers to sometimes complex questions.

Online ID:

Online ID is an online marketing company that supports other companies. Together with you they work on a strategy to grow your brand online. With a clear goal, strong skills and knowledge of the latest trends and developments they achieve optimal results for our clients.

Genius Voice:

Genius Voice aims to use voice technology to make information accessible to everyone. They are a company that is completely focused on voice technology. This includes speech recognition and natural language processing.

De Correspondent:

De Correspondent is one of the fastest growing journalistic platforms in the Netherlands. With more than 70,000 members, De Correspondent represents a new kind of journalism that does not go along with media hypes, but creates in-depth stories that help to better understand the world.

VVD Tilburg:

VVD Tilburg is one of the leading parties in our town council. Maarten van Asten, who has been the party leader for the past 4 years, will tell us what it takes to be active in local government.

Markteffect:

Markteffect is a full-service market research firm specializing in more than seven different research areas (consumer research, B2B research, healthcare, FMCG, leisure, education and sports marketing).

16:40 - 17:20 - Round 3**Fingerspitz:**

Fingerspitz is an online marketing agency and one of the six different companies under the Handpicked Agencies umbrella. Fingerspitz helps their customers to market their services/products through different online channels like Google, Facebook, LinkedIn, etc.

Grizzly New Marketing:

Grizzly New Marketing has been operating as the search engine specialist since 2001. They use a transparent working method and give clear explanations about their services. For customers it is made clear what exactly is done to make websites optimally findable.

LiveWall

LiveWall develops online experiences, creative concepts, innovative products, unique content, high-profile campaigns and smart apps for the best brand. From serving personalised campaigns in 60+ countries in 45+ languages to a brilliant twist on your content strategy that will double your visitor numbers.

Ik zie ik zie filosofie

Ik zie, ik zie, filosofie! Is the podcast that tries to answer the most annoying question all philosophy students get: 'What is philosophy and what can you do with it after you finish your study?'. Bram and Bas, the two hosts of the podcast, will talk about their experiences in the past year of recording their podcast.

WerkenbijdeEU

WerkenbijdeEU is your gateway to the career opportunities at the EU: in the dynamic and culturally rich cities of Brussels, Luxembourg and Strasbourg, as well as in EU agencies across

Europe and EU delegations around the world. The EU offers plenty of opportunities for candidates with a wide range of education and experience.

17:20 - Networking and drinks

DPG Media:

DPG Media is the largest media company in the Netherlands. Their media have been reaching millions of Dutch households every day for decades. They inform, inspire and entertain.

(Kunstloc)

Kunstloc wants as many people from Brabant as possible to participate in art and culture, because that inspires and enriches your life. Kunstloc is committed to the cultural sector, education, the province, municipalities, social organizations and the business community.)
